Re: *Axsome Therapeutics, Inc., et al. v. Teva Pharmaceuticals, Inc.*  
Civil Action No. 23-1695 (MEF)(LDW) (consolidated)

Dear Judge Wettre:

This firm, together with Quinn Emanuel Urquhart & Sullivan LLP, represents Plaintiffs Axsome Therapeutics, Inc. and Antecip Bioventures II LLC (together, “Plaintiffs”) in the above-captioned matter.

We write to respectfully request a brief, five-day extension—until August 8, 2024—of today’s deadline for the parties to exchange claim construction evidence under L. Pat. R. 4.2(c) (*see* ECF No. 64). The parties have met and conferred twice in the past nine days and believe that this additional time will increase the likelihood of reaching agreement on the constructions of the remaining disputed terms. This extension will not result in any other change to the scheduling order. Defendant Teva Pharmaceuticals, Inc. (“Teva”) does not oppose this request.<sup>1</sup>

Accordingly, if this meets with the Court’s approval, we respectfully request that Your Honor sign the below form endorsement and have it entered on the docket.

Thank you for Your Honor’s kind attention to this matter.

Respectfully yours,

A handwritten signature in blue ink that reads "Charles M. Lizza".

Charles M. Lizza

<sup>1</sup> This letter supersedes ECF No. 70 to clarify that while Teva does not join in the requested extension, it does not oppose it.

Hon. Leda D. Wettre, U.S.M.J.
